OTHER NOTABLE WORK IN STUNTS

~ I train actors for Film and Television in all aspects of stunts, including: character development, fighting for film, fighting for multiple cameras, Martial Arts and Stunt Fighting, Falls, wire work, horsemanship, and how to work with stunt equipment; like actor Holt McCallany ("Justice League", "Monster Truck") for "Freedom" the UPN TV Series, a Joel Silver Production. I feel by training others it helps me to stay sharp and polished.

~ I have an Entertainment Firearms Permit and can be utilized as a Weapons Master, lessening the risk of harm.

~ I am an Award Winning Visual Effects Producer, and have SFX experience in films. I was the SFX Supervisor for Season 1 of Dante's Cove.

~ I started theatre at age 7 with an emphasis on physical Commedia dell'Arte style, performing live stunts, stage combat & unique feats.

STUNT COMPANIES I ONCE BELONGED TO

Shadow Dragons: A stunt team who specialized in martial arts fight choreography. Although a fully functional team, people used us mainly for our ability to choreograph fights in any style and film them in record time. Based in The Studios at Las Colinas, Tx, they traveled to sets upon request. Originally founded by J.T. Moore.

3rd Coast Stunts Inc.: A stunt team started in Dallas (founded by Grady Bishop, now with Extreme Stunt & Driving Team) to handle the expanding market in Texas. A full team, with a training facility that caters to young stunt talent. Reputable for their men and women being knowledgeable in all areas. Now under new management and name, National Stuntman Association.

STUNT SKILLS

Pratfalls	High Falls	Precision Driving (car)	18 Wheeler Driving (Class A CDL)
Horsemanship	Firearms	Stair Falls	Fight Choreography
Incendiaries	PADI SCUBA Diver	Skydiving - AFF Level 1	Exotic Weapons
Wire Work	Squibs Basic	Cowboy Skills	Basic Stunt Rigging
Creature Suit Performer			Motion Capture

I played every sport in school, Rugby in college, and some Rugby after as well. I am a certified CYO coach, and have taught Martial Arts to everyone from kids to military to action stars. The precision in team sports & coaching compliments my stunts & physical comedy, and helps when teaching actors action.

... and have been killed as a Zombie just about every way possible
